Welcome to the first edition of the Entopia Wines newsletter.

## Camino Talk

Heather and Brian have recently completed their 1,500 kilometre walk from Le Puy in France to Santiago de Compostela in Spain following a thousand year old pilgrim route – The Way of St. James. This walk is becoming popular because of its links to history, art, music, architecture, scenery and as a long distance adventure.

Heather and Brian will give a talk about the Camino at the Winery on Friday 19<sup>th</sup> September, from 6:30pm. They will serve a small pilgrim meal and the Winery will be open for tasting and sales.

If you would like to come, please respond to this email (or [josh@entopia-wines.net.au](mailto:josh@entopia-wines.net.au)) by 12<sup>th</sup> September so we can manage numbers. For more information regarding The Way of St. James, specifically the French route, take a look at [http://en.wikipedia.org/wiki/The\\_French\\_Way](http://en.wikipedia.org/wiki/The_French_Way).

Entopia Wines will be participating in the two-day festival, being held on Saturday 11<sup>th</sup> and Sunday 12<sup>th</sup> October, which also marks our first anniversary. Along with our popular wine and new releases, we will be enjoying the sounds of a classical Russian guitarist playing for two to three hours both days.

We will be open from 11am to 4pm as normal.
